The Honorable Tom Cole  
Chairman  
Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$4,575,000 for the Cheswold Municipal Complex project in Fiscal Year 2027. The entity to receive the funding for this project is the Town of Cheswold, DE, located at 691 S Main St, Dover, DE 19904.

The funding would be used to build an essential community facility to combine its police department, public works department, and municipal building to better serve the needs of the community and improve public safety.

This project is an appropriate use of taxpayer funds because it invests in long-term public infrastructure that will improve emergency response, support more efficient road and public works operations, reduce ongoing inefficiencies from fragmented and inadequate facilities, and position the town to serve a growing population without repeated short-term fixes.

The project has a Federal nexus because the funding provided is for purposes authorized by section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'S. McBride', written in a cursive style.
