Subcommittee on Oversight
& Intelligence
House Space, Science, and
Technology Committee
Subcommittee on Research and
Technology

March 18, 2026

The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$988,566 for the Harrington Police Department Growth project in Fiscal Year 2027. The entity to receive the funding for this project is the City of Harrington, DE located at 106 Dorman St, Harrington, DE 19952.

The funding would be used to hire and equip two new patrol officers and purchase four patrol vehicles to expand law enforcement capacity and strengthen the city's ability to address crime and enforce laws as the community experiences significant population growth.

This project is an appropriate use of taxpayer funds because it provides immediate public safety capacity while aligning with projected population growth and future local revenue.

The project has a Federal nexus because the funding provided is for activities consistent with, and supportive of, the Office of Justice Programs' mission and aligned with one or more of the purposes described in the Byrne Justice Assistance Grants (JAG) program, section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'S. McBride'.

Sarah McBride
Member of Congress
