The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$5,000,000 for the Safety Upgrades to Discount Land Road project in Fiscal Year 2027. The entity to receive the funding for this project is the Delaware Department of Transportation, located at 800 Bay Road, Dover, DE 19903

The funding would be used to construct roadway shoulders, sidewalks, and a shared-use path along Discount Land Road in Laurel to improve safety for local residents.

This project is an appropriate use of taxpayer funds because it addresses a clearly identified safety hazard with targeted capital improvements that will reduce crash risk and improve mobility for all users.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'S McBride', written in a cursive style.
