The Honorable Tom Cole
Chairman
Committee on Appropriations

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting \$4,096,248 for the Dagsboro Town Hall and Police Department project in Fiscal Year 2027. The entity to receive the funding for this project is Town of Dagsboro, DE, located at 33134 Main St, Dagsboro, DE 19939.

The funding would be used to construct and renovate an essential community facility municipal complex that will expand and modernize the Town Hall and Police Department to improve public safety, meet accreditation standards, and support the delivery of municipal services for a growing rural community.

This project is an appropriate use of taxpayer funds because it will improve emergency response capabilities, enhance officer safety, increase operational efficiency, and reduce long-term maintenance costs associated with outdated buildings.

The project has a Federal nexus because the funding provided is for purposes authorized in section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read 'S. McBride'.
